

AMENDMENTS TO THE CLAIMS

Kindly enter the following amendments to the claims:

1. Cancel claims 1, 3-13, 15, 17, and 18-28
2. Amend claims 2, 14 and 16 as indicated.

Listing of the claims:

Claim 1. (cancelled).

Claim 2. (currently amended): A flashlight apparatus comprising:

a body member;

a head member including light-emitting means;

a connecting member for connecting the head member to the body member;

and

attaching means for connecting an attachable and moveable object to the body member

and integrating the object with the body member.

~~[The flashlight apparatus of claim 1, wherein the attaching means connects an object to the body member.]~~

Claims 3-13. (cancelled).

Claim 14. (currently amended): A flashlight apparatus comprising:

a body member;

a head member including light-emitting means;

a connecting member for connecting the head member to the body member; and a moveable object detachably securable to either the body member or the head member, wherein the moveable object and either the body member or the head member include co-operating means for releaseably securing the object to either the body member or the head member, and wherein the co-operating means includes irregular surfaces on the moveable object and on either the body member or the head member, the irregular surfaces engaging each other to connect the moveable object to either the body member or the head member.

~~[The flashlight apparatus of claim 13, wherein the co-operating means includes irregular surfaces on the moveable object and on either the body member or the head member, the irregular surfaces engaging each other to connect the moveable object to either the body member or the head member.]~~

Claim 15. (cancelled):

Claim 16. (currently amended): The flashlight apparatus of claim [43] 14, wherein the co-operating means connects the object to the body member.

ATTORNEY DOCKET NO. 3532

Claims 17-28 (cancelled).
